

Lindenwold Board of Education

Lori L. Moore, Ed.D.

Superintendent

801 Egg Harbor Road - Administration Building • Lindenwold, New Jersey 08021

June 2, 2020

To Our Lindenwold School Community,

On behalf of the Lindenwold Board of Education and School District, we are both horrified and deeply saddened by the events surrounding the tragic death of George Floyd of Minneapolis, MN.

As a school community, we embrace and celebrate our diversity as a point of pride in Lindenwold. We strive each and every day to create an inclusive and welcoming environment for all of our students and families. As an educational organization, we acknowledge the disparities that continue to exist in our world today and believe that we are collectively responsible to “educate and advocate” for social justice and equity for all. We understand that our students may be experiencing a flood of emotions as they try to process what is happening across the nation. We have English and Spanish-speaking counselors who are readily available to help students process these events and address any other issues or concerns that they may have at this time. Students can reach out to any of our staff members for support as well as our counselors via email. We regret not being able to help our students process this terrible event in person as we would under normal circumstances. We value our commitment to building positive relationships with our students and creating a sense of belongingness and connectedness for our students at school. We want our community to know that you are part of the Lindenwold School Family and we are here for you even though we cannot “be together” in the traditional way. We miss all of our students and look forward to the day that we can welcome you back.

In partnership,

A handwritten signature in cursive script that reads "Lori L. Moore".

Lori L Moore, Ed.D.
